

SALES MANAGEMENT

COURSE OVERVIEW

Lead your sales team to success.

- Motivate your team, focussing on their strengths to achieve results
- Coach your team for optimum performance
- Use a clear business plan for developing, forecasting and measuring business
- Confidently prepare and deliver productive and motivational sales meetings
- Use tools to identify, measure and analyse team activity and align to core business objectives

The sales team within an organisation is a powerful entity, they are the face of a business, able to make or break customer relationships and business reputations. A sales team needs to be focussed, directed energised and engaged. This programme provides a safe environment for the essential sales management skills to be learned, practised and perfected. The programme is divided in to two parts:

Part 1 focuses on the core sales management skills required to create and lead a professional sales team.

Part 2 expands on the core skills by focussing on business planning, forecasting, driving results, developing business acumen and understanding the financial elements of the sales management role.
